

Vancouver-Clark Disc Golf has been working in cooperation with the Vancouver-Clark Parks and Recreation Department to establish a public disc golf course at Leverich Park. This fall the first public disc golf course will be installed. The 12 hole course will be a permanent part of the park, drawing disc golf enthusiasts from throughout the Portland metro area, as well as more casual players and families from the local neighborhoods. In order to keep the course in top shape we are asking local businesses and individuals to partner with us by sponsoring holes on the course.

That means there are only twelve opportunities to participate. At this point \_\_\_ holes have already been sponsored. Hole sponsorships cost \$100 for a standard sponsorship or \$500 for a gold sponsorship. Each sponsorship is for one year and every dollar of sponsorship money will go to maintain the disc golf course. Replacing damaged targets and signs, cleaning up trash, controlling erosion and course improvements will be paid for with this money. Every sponsor will be acknowledged on the sign for the hole they sponsor in a 3" x 8" sponsor box on the 8 1/2"x11" tee sign. Full color artwork may be submitted for use in the sponsor box. In addition gold sponsors will be acknowledged on the official scorecards and course maps available online and during special events at the course.

Thank you for considering this opportunity to give back to the community!
